We were formed in 1983 as the Friends of Suffolk Record Office when we played an essential role in raising £250,000 to buy the Elveden manuscripts now housed at The Hold in Ipswich.

Friends of Suffolk Archives endeavours to purchase items when suitable material comes up for sale, at auction or privately, in line with Suffolk Archives' acquisitions policy.

We have purchased many unique archives. In many cases these may have been lost to the county or even left the country without the action of the Friends.

So that the documents we have acquired can be available to be used by researchers as soon as possible, the Friends have also funded the cataloguing and conservation of these items. Where we have not been successful in acquiring an item, we seek to obtain digital copies from the new owners often with positive results.

Among the many items we have been able to purchase for Suffolk Archives are -

- **Walton Burrell collection of First World War photographs**
- **Manorial records of Waldringfield**
- **The Shrubland Hall photographic collection**
- **The Joan Corder collection of East Anglian heraldic manuscripts**

- **Material from the Ickworth archives**
- **The daybook of a Layham blacksmith**
- **“Features of Wortham” by Reverend Cobbold**
- **The 1875 illustrated catalogue for Catt Brothers Ltd of Ipswich, carriage builders**

There are presentations or exhibitions each year at our AGM to keep our members up to date with the latest archival developments in Suffolk. The AGM includes the opportunity to look behind the scenes, chat informally to other members and meet Suffolk Archives staff over light drinks and refreshments.

Our twin aims are:

- ▶ **to promote the archives service provided by the County Council; and**
- ▶ **to facilitate the acquisition and conservation of archival material of relevance to the historic county of Suffolk**
